FARM INSURANCE

# AgriChoice<sup>®</sup> Plus

AgriChoice<sup>®</sup> Plus is designed for farm and ranch customers who have commercial exposures, such as:

- Hauling or storing grain for your neighbors
- Seed dealer
- Custom harvesting
- Custom spraying
- Processing, packing, shipping or selling agricultural and food products
- Farm stores
- Dairy processing

## What an AgriChoice Plus farm insurance policy covers

We start with an [Agrichoice](#) policy to protect your buildings, machinery, equipment and livestock. Then we add the [endorsements and additional liability protection](#) you need for your specific commercial exposures.

### Business advantage endorsement

Can protect against:

- Employee dishonesty
- Foundations and other underground property issues
- Money and securities theft
- Damage or theft of property in transit

### Additional general liability coverage

Your farm liability insurance coverage can be tailored to include:

- Agricultural and food products you sell or process for others
- Agricultural services you perform for others
- Agritourism
- Your farm premises and operation

### Auto liability coverage

Liability protection for owning, maintaining or using:

- Commercial autos
- Farm autos
- Non-owned or hired autos

AgriChoice Plus also includes provisions to help protect you against employment practices lawsuits. This includes [protection from unfounded animal cruelty claims](#).
